Address

EME College ,Jhangī Syedian Rawalpindi

Education

- C++
- Python
- PIC microcontroller
- AutoCad
- Task prioritization
- Time Management
- Project Management

Interests

- Embedded Systems
- Machine Learning/AI
- Web Development

Summary

Dedicated and passionate Electrical Engineering student with a strong grip over C++, PIC microcontrollers, and Python. Proven ability to learn new technologies quickly and apply them to real-world projects. Seeking an entry-level position in the electrical engineering field where I can use my skills and passion to make a difference.

Education

- 2019 - 2021
Intermediate (Pre-Eng)
Punjab group of colleges, Zafarwal
- 2021-cont
BE-Electrical Engineering
NUST-CEME, Rawalpindi
currently enrolled in 4th semester
CGPA : 3.53/4

Projects:

- Active Band Pass filter
- Word search game using C++
- Tic Tak Toe game using Python
- Audio Player using C++
- ALU(Arithmetic Logic Unit)
- DC Power supply (0-24v)
- DC Power supply fixed 5v
- Battery percentage Indicator using PIC microcontroller
-
