# MARIA SYED

WordPress Developer

## EDUCATION

### BSCS at NUML

Sep, 2018 – June, 2022

I have knowledge and skills in various areas of computer science, including programming languages, artificial intelligence, web development, data structures, algorithms, computer networks, operating systems, database management, and software engineering.

## WORK EXPERIENCE

### Koncept Solutions WordPress Developer

Sep, 2022 – Present

- During the first few months of using WordPress, I spent a lot of time learning the basics, such as how to install themes and plugins,
- How to create pages and posts.
- How to customize your site's design.
- Experimented with different themes and plugins to find the ones that work best for client needs.
- I have spent time tweaking the site's design to make it look and feel just right.
- I have learned how to optimize your site for search engines.
- How to use analytics to track your site's performance.
- How to integrate your site with social media and other online platforms.

## SKILLS

- WordPress
- CSS
- HTML
- MS Office
