Professional Summary

Software Engineering student looking for real-world experience. Throughout my coursework; I have developed a passion for learning more about Softwares and concepts related to them. Eager to apply my knowledge, strong organization and multitasking skills to a internship experience where I can further develop them.

Work History

WordPress Web Developer

Internee

2022 - 2023

- Collaborated with cross-functional team of 4 interns (including UI/UX Designer, Content Writers and Web developers on various projects)
