WORDPRESS DEVELOPER

"I am a front-end WordPress developer with 3 years of experience in creating and maintaining websites for various companies. My expertise includes proficiency in HTML and CSS, as well as experience with popular WordPress page builders such as Elementor, WPBakery, Divi, and Visual Composer. I also have knowledge of WPML, which allows me to create multilingual websites. I am dedicated to producing high-quality and responsive websites that meet the needs of my clients."

KEY COMPETENCIES

PROFESSIONAL EXPERIENCE

Abaani Tech

WordPress Developer

April 2022-January 2023

I gained extensive experience as a WordPress developer while working at Abaani Tech, where I was responsible for designing and developing various websites. My role at Abaani Tech involved working with front-end technologies such as HTML, CSS, and Elementor, Figma, PSD, Divi as well as visual composer and WPML.

Accomplishments:

- I had the opportunity to work with WooCommerce and Divi, which allowed me to expand my skills and knowledge in e-commerce and website design.
- During my time at Abaani Tech, I worked on several projects, which allowed me to improve my problem-solving and critical-thinking skills.
- I was able to collaborate with a team of developers and designers to deliver high-quality websites that met the client's needs.
- My experience at Abaani Tech gave me the opportunity to develop my skills in website optimization and performance, which helped me to improve the user experience.
- I was able to learn and apply new techniques and technologies, which helped me to stay current with industry trends and best practices.
- My time at Abaani Tech was a valuable experience that helped me to develop my skills as a WordPress developer and gain valuable experience in the industry.

Upwork, Fiverr, LinkedIn

Freelancer

Nov 2020-Present
