

## ALI SHAHZAD

Junior Data  
Scientist

### Skills

### Interests

### How to reach me:

- +92-300-0094120
- Inaam Colony, Daska
- alemr1@gmail.com <https://www.linkedin.com/in/alemr/>

### Job Objectives

To leverage my strong analytical skills, extensive experience in data analysis, and expertise in machine learning algorithms as a Data Scientist. With a passion for extracting actionable insights from complex data sets, I aim to contribute to the success of an organization by utilizing data-driven strategies to solve challenging problems, optimize business operations, and drive data-informed decision-making. I am seeking a dynamic and innovative environment where I can apply my technical proficiency, collaborate with cross-functional teams, and continuously grow in the field of data science.

### Personal Profile

I as a Data Scientist, I possess a unique blend of technical expertise, analytical thinking, and a passion for uncovering valuable insights from data. With a solid foundation in mathematics, statistics, and computer science, I have honed my skills in data manipulation, predictive modeling, and machine learning techniques.

### Educational Training

#### Advance Coaching Centre

##### Special Education

- Enrolled since Sept. 2019 to July 2020
- Taking up specialization courses in data science to broaden skill set
- Taking up electives in cyber security

#### University of Gujarat

##### Bachelor of Science in Computer Science

- 3.44 / 4.00
- Attended from Sept. 2016 to June 2020
- Class Representative

#### Punjab Group of Colleges, Gujranwala

##### A+ grade in Intermediate (ICS) in Computer Science

### Career Summary

#### Data Scientist

Pak Engineering Auto Parts  
Jan 2023 to Present

#### Data Admin & Advisor

Jamia Madina Tul Ilm Gujranwala  
Nov 2021 to Oct 2022

#### Junior Data Scientist

Emartix Inc.  
May 2020 to Sep 2021

- Responsible to find best drop-shipping products for e-commerce
- Responsible to find targeted market for specific products
- Led Team to perform competition analysis.

#### Philanthropist

Save Pak Org.  
Aug. 2019 to July 2020

- Delivered sponsors/donors using data
- Delivered necessitous resource-less using hypothesis testing
- Responsible to Provide data visualizations.

### Professional Skills

#### Coding Languages:

C++, JavaScript, HTML/CSS, Python, Pandas, Numpy, Keras Backend

#### Frameworks/Systems:

Machine Learning, Deep Learning, Data Science, Power BI, Tableau
