357 X DHA Phase III, Lahore

## About Me

As a CS student, I possess fundamental knowledge and have worked with diverse technologies. Though not a master of any, I am a quick learner with a strong foundation in computer science principles. I am self-motivated, innovative, and always eager to take on new challenges.

## Experience

### Brandsio 09/21 - 03/23

Research Analyst

Working with a company that aggregates, scales, and operates e-commerce brands on and off Amazon

- Conducted research to support the company's fundraising efforts.
- Streamlined reporting processes by developing Python automation,
- Contributed to the company's marketing drive by analyzing customer data and developing strategies to improve customer retention rates.
