## Education

**Bachelors of Science in Software Engineering** Sep 2017 - Dec 2021  
Mirpur University of Science & Technology MUST AJK, Mirpur Azad Kashmir  
Studied the basics of Programming Fundamentals, Object Oriented Programming, Databases Management Systems, Web Development, Application Development, Software Project Management and Engineering ergonomics.

**O & A Levels** Aug 2012 - Aug 2016  
Sargodha Spirit Trust Public School Rashidabad Sindh Pakistan, Hyderabad

## Employment

**Associate Software Engineer** Apr 2022 - Nov 2022  
KavTech Solutions, Lahore  
As a Trainee Software Engineer in the Real Estate industry, I learnt about designing, implementing, and configuring several data warehouses for different clients. I was responsible for data integration, data warehouse design, ETL/ELT scripting, optimization, maintenance, and monitoring. I automated the entire process of batches, error logging, and server monitoring, enhancing efficiency and accuracy.

Through my work, I enabled Real Estate clients to leverage data insights to drive business decisions, streamline operations, and improve customer experience. I was committed to delivering quality solutions that met regulatory requirements and aligned with business objectives department and expanded the team to ensure optimal performance and collaboration.

## Internships

**Intern** Dec 2021 - Feb 2022  
Blue Envision, Islamabad  
Appointed as an intern in web development team. Provided front-end website development using WordPress and other editing softwares. Engaged with clients to plan and optimize site issues and queries.  
Gathered requirements and prepared Software Requirements Specifications Document Defined project scope, set timelines, achieved milestones and maintained tight schedules.

## Courses

**SQL Advanced Learner by HackerRank** Present

## Jobs apart from my Desired Field & BS SE Project

### Final Year Project

Scholarships Management System a web application using SWIFT and Google Firebase

I consent to the processing of my personal data for the purpose of recruitment for the position to which I am applying.
