ABOUT ME

I am a software engineering student in my 8th semester at Lahore Garrison University and I am excited to apply for the Software Quality Assurance Internship at Devsinc. With experience in software testing methodologies and a strong ability to work collaboratively, I am confident that I can make valuable contributions to your organization.

EDUCATION

- **2019-2023**
  LAHORE GARRISON UNIVERISTY
  Bachelor degree of software engineering

- **2015-2018**
  ARMY PUBLIC COLLEGE SIALKOT
  FSC. Pre Engineering

FINAL YEAR PROJECT

The project is about an interactive e-learning application named "Academic Simulation" that provides an interactive simulation-like experience for each Science practical, aiming to solve the problem of lack of practical education in most schools and colleges in Pakistan. The development of the application will mostly be done in Unity 3D, and in the future, there will be added support for teachers to design their practicals to provide students with a more hands-on experience.
